

1:1 Mentoring with Belinda

A customised mentoring programme for freelance translators looking to step up their careers and get more out of their marketing efforts.

Hi there, I'm Belinda!

With my 1:1 mentoring sessions, I support freelance translators in their business so you can save countless hours on doing the wrong things. I'm a marketing translator, content writer, heavy LinkedIn user and dog lover. After 4 years as a business owner and 12 years as a translator, I can't wait to get started on supporting you in your business goals!

“Belinda was extremely helpful in providing me with excellent advice on how to grow my business. She was always kind and encouraging and made me feel at ease and highly motivated. Belinda particularly helped me in creating a more professional LinkedIn presence, focusing on my niche, creating a marketing strategy and recognising the importance of networking. Her support was extremely valuable.”

— Elisabetta (mentee)
